INDEX

A

Page

Academies, military, data on students entering and resignation of graduates 255
Air Force Academy 123
Airpower:
- Aircraft, total active 80
- Comparison of present with World War II 159
- Flights per day 395
- Increase in 117
- Readiness of 128

Air warning system, cooperation with Canada in 124
Allied forces:
- Availability of United States equipment in event of emergency 33
- Military strength of 34

Ammunition, amount used in training and in combat 591
Appropriations:
- Advantages over contract authorizations 584, 586
- Congressional control over use of 559
- Level of future 41
- Relationship with program levels 550
- Status of 1954 579

Army, Department of:
- Mobility of the Army 593
- Reduction in strength of 24, 65, 70, 127, 152
  - Ability to meet local aggression under 35
  - Disapproval of, effect of 115
  - Effect on our allies 75
  - Factors affecting 97, 109, 110, 126, 164
  - Increase in Reserve forces 66
- Use of additional funds if appropriated 36

Atomic weapons 164
- "Fallout" from 67
- Use of 164

B

Budget for 1956:
- Adequacy of 16, 76
- Areas of increasing costs 553
- Changes in world situation and their effect on 790
- Comparison with 1955 497
- Congressional control over use of funds 559
- Cost of preparing 614
- Development of 587, 592
- Improvement in structure of 602
- Level of future defense budgets 41, 116, 551, 611
- Level of preparedness under 21, 23, 41, 76, 154
- New obligational authority 12, 499, 549
- Philosophy underlying 160
- Reduction in as result of slippage 617, 618
- Savings and economies 552
- Soundness of 576, 593
- Summary statement on 492, 536
- Supplemental funds, need for 604

C
